Student Program Online Network

Encourage individual students and chapter members to sign up for PHR's student network.

Student members will receive the PHR newsletter, action alerts, occasional articles, announcements of new reports, invitations to PHR events, and notices of other health and human rights opportunities.

Student can sign up online at <http://physiciansforhumanrights.org/students/join>

PHR Digital Library

This library contains PHR public documents, including reports and press releases, congressional testimony, statements, letters, articles published in journals and periodicals in PDF format and selected multimedia content.

PHR documents are compiled at <http://physiciansforhumanrights.org/library>
